- Investigated hospital buildings and interiors; drew the spatial layout of their floors
- Created and adjusted the roaming function of the hospital grounds
- Organized spatial information of each hospital building and floor

## PROJECTS

### Red Archives Digital Narrative and Product Development

Shanghai, China

Member

09/2021-10/2022

- With a team of five as a unit, researched the development and utilization of red archives, conducted investigation and analysis, summarized the current problems and trends, and found the integration point between real work and digital narrative
- Designed questionnaires to summarize users' acceptance of digital narratives
- Proposed a plan and produced post-production scripts, and changed the situation where "readers or viewers are outside the center of the narrative", highlighting user participation and interactivity

### International Center for Educational Innovation

Shanghai, China

Program Assistant

08/2022-11/2022

- Conducted in-depth research on leadership in four parts: the definition and concept of leadership, leadership theories, case studies on leadership, and the ways through which people should improve their leadership styles
- Explored and explained two related theories: "integrated psychological theory" and "leader-member exchange theory"

### Research on the Development of Red Archives and its Dissemination Mode

Shanghai, China

Member

01/2022-02/2022

- Carried out research through questionnaire survey, literature research, and other methods to analyze the public's attitudes on "red archives development and communication model based on new media", to improve the existing "red archives based on new media ecosystem"
- Discovered that the Bilibili platform is currently the most important red archive dissemination platform and the public expects that the combined online and offline dissemination of red archives in the future will further develop according to the trends and technological development

## EXTRACURRICULAR ACTIVITIES

### Volunteer, Champaign Public Library

09/2024-Now

- help the Access Services department with clerical tasks, shelving materials, and pulling requested items

### Volunteer, The 3rd Asian Chinese Film Festival, Shanghai, China
